MINISTRY OF EXTERNAL AFFAIRS

New Delhi, the 6th August 1966

G.S.R. 1384 In exercise of the powers conferred by the proviso to article 309 of the Constitution, the President hereby makes the following rules to amend the Indian Foreign Service (Conduct and Discipline) Rules, 1961, namely:—

1. (1) These rules may be called the Indian Foreign Service (Conduct and Discipline) Amendment Rules, 1966.

(2) They shall come into force on the date of their publication in the Official Gazette.

2. In the Indian Foreign Service (Conduct and Discipline) Rules 1961, for rule 4, the following rule shall be substituted, namely:—

4. *Provisions of the Central Civil Service (Conduct) Rules, 1964, to apply to members of the Service.*—(1) Subject to the provisions of sub-rule (2), the Central Civil Service (Conduct) Rules, 1964 (hereinafter in these rules referred to as the said rules) shall apply *mutatis mutandis* to members of the Service.

(2) (a) Rule 8 of the said rules shall apply subject to the provisions of rule 18 of these rules.

(b) Rule 12 of the said rules shall apply as if—

(i) for the words “the Government or of the prescribed authority” occurring in that rule, the words “The Government or of the Head of Mission or Post” were substituted;

(ii) the following Note were inserted at the end, namely:—

“Note:—The Head of Mission or Post, as the case may be, shall report all cases arising under this rule to the Government for such action as the Government may deem fit.”

(c) Rule 13 of the said rules shall apply as if—

(i) in the Explanation to sub-rule (1) of that rule, for the words “free transport boarding, lodging or other service or any other pecuniary advantage when provided by any person other than a near relative or personal friend having no official dealings with the Government, Servant” the words “free transport, board, lodging or any other form of passage or service or any other benefit or pecuniary advantage rendered without cost or markedly below the normal market rate” were substituted;

(ii) after sub-rule (4) of the rule, the following sub-rule were inserted, namely:—

“(5) Where any member of the Service receives a gift from a foreigner, then notwithstanding anything contained in sub-rules (2), (3) and (4), such member shall make a report to, or obtain the sanction of, the Government, as required by the said sub-rules, in all cases where the value of such gift exceeds Rs. 300/-.”

(d) Rule 14 of the said rules shall not apply to entertainments given and complimentary or valedictory addresses presented, to the members of the Service in the country in which they are stationed.

(e) Rule 18 of the said rules shall apply as if—

(i) for sub-rule (2), the following sub-rule were substituted, namely:—

“(2) No member of the Service shall except with the previous sanction of the Government, acquire or dispose of any immovable property abroad by lease, mortgage, purchase, sale, gift or otherwise, either in his own name or in the name of any member of his family”;

(ii) after sub-rule (4), the following sub-rule were inserted, namely:—

“(4A) Notwithstanding anything contained in sub-rules (1) and (4), the provisions of the said sub-rules shall apply in relation to non-career Heads of Mission or Post only with respect to property acquired or disposed of by them during their tenure of office.”

MINISTRY OF IRRIGATION AND POWER

(Central Electricity Board)

New Delhi, the 1st September 1966

G.S.R. 1388.—The following draft of certain rules further to amend the Indian Electricity Rules, 1956 which the Central Electricity Board proposes to make in exercise of the powers conferred by section 37 of the Indian Electricity Act, 1910 (9 of 1910), is hereby published as required by sub-section (1) of section 38 of the said Act, for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into consideration after the 1st December, 1966.

Any objection or suggestion which may be received from any person with respect to the said draft before the aforesaid date will be considered by the Central Electricity Board. Such objections or suggestions shall be addressed to the Secretary, Central Electricity Board, 13/3 Jamnagar House, Shahjehan Road, New Delhi-II.

Draft Rules

1. These rules may be called the Indian Electricity Second (Amendment) Rules, 1966.
2. In the Indian Electricity Rules, 1956,—
 - (i) In sub-rule (1) of rule 2—
 - (a) for clauses (c), (k), (ac), (ad) (ag) and (au), the following clauses shall respectively be substituted, namely :—

“(c) ‘ampere’ (unit of electric current) means a constant current which, flowing in two parallel straight conductors of infinite length, of negligible cross-section and placed at a distance of one metre apart in vacuum will produce a force of $2 \cdot 10^{-7}$ newton per metre-length between the conductors.

(k) “Conductor” means a body or substance which offers a low resistance to the passage of an electric current.

(ac) “metallic covering” means a mechanical strong metal covering like steel or aluminium wire or tape armouring, conduits, aluminium sheathing (but not lead sheathing) or the like, surrounding one or more conductors.

(ad) “neutral conductor” includes the neutral conductor of a three phase four wire system, the conductor of a single phase or direct current installation which is earthed by the supply undertaking (or otherwise at the source of the supply) and the middle wire or common return conductor of a three-wire Direct Current or single phase Alternating Current system.

(ag) “ohm” (unit of electrical resistance) means the electrical resistance between two points of a conductor when a constant potential difference of one volt, applied to these points, produces a current of one ampere in the conductor, provided that no electro-motive force is generated in the conductor.

(au) “volt” (unit of potential difference and electro-motive force) means the difference of electric potential which exists between two points of a conductor carrying a constant current of one ampere, when the power dissipated between these points is one watt.
 - (b) After clause (ah), the following clause shall be inserted, namely :—

(aha) “outer conductors” means the two conductors of a three wire system between which the voltage is the maximum.
 - (2) in rule 25, for the figures, abbreviations, brackets and words “929.03 Sq. cm. (square foot) the figures and abbreviations “1000 sq.cm”, shall be substituted.
 - (3) in rule 32, after sub-rule (2), the following shall be inserted, namely :—

“(Refer I.S. 375. Marking and arrangement for switchgear Bus-Bars, Main connections, Auxiliary wiring.)”
 - (4) in sub-rule (1) of rule 43, for the words “enclosed sub-stations and switch stations”, the words “indoor sub-stations and indoor switch stations” shall be substituted.

(5) in sub-rule (3) of rule 5, sub-rule (2) of rule 7, rules 9 and 10, clause (c) of sub-rule (1) of rule 32, sub-rule (1) of rule 44, clause (a) of sub-rule (1) of sub-rule 46, sub-rule (1) of rule 49, sub-rule (2) of rule 49, sub-rule (2) of rule 53, sub-rule (6) of rule 61, sub-rule (8) of rule 87, sub-rule (2) of rule 93 and in rule 141, for the word "Inspector", the words "Inspector or any officer appointed to assist the Inspector" shall be substituted.

(6) in rule 46,—

(a) in sub-rule (1), in clause (a),—

(i) at the end, the following proviso shall be inserted, namely :—

"Provided that where the supplier and the Inspector are not in a position to undertake periodical inspection and testing of low voltage installations, the appropriate Government may authorise the licensed electrical contractors to undertake such inspection and testing".

(ii) after the proviso inserted as aforesaid, the following shall be inserted namely :—

"Model forms for use for inspection and testing are set out in Annexure IXA".

(b) after sub-rule (3), the following shall be inserted, namely :—

"(Refer I.S: 732, Code of Practice for Electrical Wiring and Fittings in Buildings)."

(7) in rule 47, after sub-rule (2) the following shall be inserted, namely :—

"(Refer I.S: 732, Code of Practice for Electrical Wiring and Fittings in Buildings)."

(8) in rule 50, for clause (d) of sub-rule (1), the following clause shall be substituted namely :—

"(d) the supply of energy to each motor and a group of motors and associated switchgear or other apparatus is controlled by a suitable linked switch or a circuit breaker of requisite capacity placed in such a position as to be adjacent to the motor or group of motors and associated switchgear or other apparatus readily accessible to and easily operated by the person in charge and so connected in circuit that by its means all supply of energy can be cut off from the motor and group of motors and associated switchgear or apparatus, and from any regulating switch resistance or other device associated therewith ;"

(9) in rule 57, after sub-rule (5), the following shall be inserted, namely :—

"(Refer I.S. 722, A.C. Electricity Meters)."

(10) in rule 61, in clause (a) of sub-rule (1), at the end, the following proviso shall be inserted, namely :—

"Provided that in certain cases where the direct earthing of the neutral conductor is not provided, the provisions of this clause may be relaxed subject to other precautions being taken."

(11) in rule 74, after sub-rule (2), the following shall be inserted, namely :—

"(Refer I. S : 282, Hard drawn Copper Conductors for overhead power transmission; and I.S. 398 Hard drawn standard Aluminium and Steel-cored Aluminium Conductors for overhead Power Transmission Purposes)."

(12) in rule 131,—

(a) for sub-rule (1), the following sub-rule shall be substituted :—

"(1) A person holding a valid and proper certificate of competency issued under sub-rule (1) of rule 45 (hereinafter in this rule and in Appendix XII referred to as "authorised person") shall be appointed in writing by the owner, agent or manager of a mine or by the agent or owner of one or more wells in an oilfield to supervise the installation. If necessary, for the proper fulfilment of the duties detailed in this rule one or more assistants to the authorised person shall also be appointed in writing by the said authority"

(b) in sub-rules (2) and (3) for the word "electrician" the words "authorised person" shall be substituted.

(c) in sub-rule (4),—

- for the word “electrician” occurring in the words “in the absence of the electrician”, the words “authorised person” shall be substituted;
- for the words “a substitute electrician”, the words, brackets and figures “as substitute, another person having a valid and proper certificate of competency issued under sub-rule (1) of rule 45” shall be substituted.

(d) in sub-rule (5), for the words “the electrician or the substitute electrician”, the words “the authorised person or the substitute” shall be substituted.

(13) in Annexure VI,—

(a) in paragraph 8, after the second sub-paragraph, the following shall be inserted, namely :—

“(Refer I.S: 732—Code of Practice for Electrical Wiring and Fittings in Buildings).”

(b) in paragraph 10, after sub-paragraph (f), the following shall be inserted, namely :—

“(Refer I.S: 732—Code of Practice for Electrical Wiring and Fittings in buildings).”

(c) in paragraph 22,—

- after sub-paragraph (d), the following shall be inserted, namely :—
- “(Refer I. S. 2551—Danger Notice Plates).”
- after sub-paragraph (g), the following shall be inserted, namely :—
- “(Refer I. S. : 732—Code of Practice for Electrical Wiring and Fittings in Buildings).”
- after sub-paragraph (j), the following shall be inserted, namely :—
- “(Refer I. S. : 900—Code of Practice for Installation and Maintenance of Induction Motors)”

(14) after Annexure IX, the following shall be inserted, namely :

“Annexure IXA (See rule 46)”

44	(i) State if instructions in English, Hindi and the local language of the district for the restoration of persons suffering from electric shock have been affixed in conspicuous place. (ii) Are the authorised persons able to apply instructions for resuscitation of persons suffering from electric shock ?	
49	<i>Leakage on premises</i> (i) Insulation resistance between conductors and earth . (ii) Leakage to earth in amps. (iii) Admissible leakage current in amps. (1/5000 of maximum current demand).	
50	(i) Whether a suitable linked switch/circuit-breaker is placed near the point of commencement of supply so as to be readily accessible and capable of being easily operated to completely isolate the supply. (ii) Is there a suitable linked switch or a circuit breaker to carry and break the full load current on the secondary side of a transformer ? (iii) Whether every distinct circuit is protected against excess energy by means of a suitable circuit-breaker or cut-out. (iv) State if a suitable linked switch or circuit-breaker is provided near the High Voltage motor or other apparatus for controlling supply to the motor or apparatus. (v) State if adequate precautions are taken to ensure that no live parts are so exposed as to cause danger.	
51	(i) State the condition of metallic covering, provided for various conductors. (ii) State whether clear space of 90 cm (3 ft.) is provided in front of the main switch-board. (a) State whether the space behind the switchboard exceeds 75 cm (30") in width or is less than 23 cm (9"). (b) In case the clear space behind the switchboard exceeds 75 cm (30") state whether a passage way from either end of the switchboard to a height of 1.80 metres (6 ft.) is provided.	
64	(i) State if all conductors and apparatus including live parts thereof are inaccessible. (ii) State if all windings of motors or other apparatus are suitably protected. (iii) State the method adopted to guard lower voltage circuits in transformer(s) becoming accidentally charged above its/their normal voltage. (iv) State, in case of transformers or switches or static condensers involving the use of more than 2275 litres (500 gallons) of oil in one chamber, if suitable oil soak pits are provided.	

I.E. Rule No.	Requirements	Report
	(v) Where 9100 litres (2200 gallons) or more of oil is used in any one oil tank, has provision been made for draining away or removal of oil which may leak or escape from such tank(s)?	
	(vi) State if trenches inside sub-station containing cables are filled with non-inflammable material or completely covered with non-inflammable slabs.	
	(vii) Are conductors and apparatus so arranged that they may be made dead in sections for carrying out work thereon?	
66.	In case of metal sheathed electric supply lines are the metal sheaths connected with earth properly.	
67.	(i) Has the frame of every generator, stationary motor, and so far as practicable, portable motor, and metallic parts (non-intended as conductors) of all transformers and any other apparatus used for regulating or controlling energy and all High Voltage energy consuming apparatus been earthed by two separate and distinct connections with earth? (ii) Is the earthwire free from any mechanical damage? (iii) Have two separate and distinct connections with earth each having its own electrode been provided for the earthed neutral point? (iv) Have the metal casings or metallic coverings containing or protecting any electric supply line or apparatus been properly earthed and so joined and connected across all junction boxes as to make good mechanical and electrical connection throughout their whole length?	
68.	Is the outdoor (except pole type) sub-station, efficiently protected by fencing not less than 2'45 metres eight feet) in height?	
69.	(i) Where platform type construction is used for pole type sub-station, has sufficient space for a man to stand on the platform been provided? (ii) Has hand-rail been provided and connected with earth? (If metallic and if sub-station has not been erected on wooden supports).	
70.	Has suitable provision been made for immediate and automatic discharge of every static condenser on disconnection of supply.	
	<i>Overhead lines</i>	
74.	What is the minimum size of the conductors of overhead lines used? State the type of conductors.	
77.	Are clearances above ground of the lowest conductor of overhead lines, including service lines as per this rule?	
80.	(i) On the basis of maximum sag are vertical clearances where the high or extra-high voltage line passes above or adjacent to any building or part of a building as per this rule? (ii) On the basis of maximum deflection due to wind pressure, are horizontal clearances between the nearest conductor and any part of such building as per this rule?	
81.	Where conductors forming part of system at different voltages are erected on the same supports, has adequate provision been made to guard against danger to linesman and others from the lower voltage system being charged above its normal working voltage by leakage from or contact with the higher voltage system?	

I.E. Rule No.	Requirements	Report
87	Where over-head lines cross or are in proximity to each other have they been suitably protected to guard against possibility of their coming in contact with each other ?	
88	(i) Has every guard wire been properly earthed at each point at which its electrical continuity is broken? (ii) What is the type and size of guard wire?	
90	(i) Are the metal supports of over-head lines and metallic fittings attached thereto permanently and efficiently earthed? (ii) Has each stay-wire (except in case where an insulator has been placed in it at a height not less than 3 metres (10 ft.) from the ground) been similarly earthed	
91	(i) Has the over-head line been suitably protected with a device for rendering the line electrically harmless in case it breaks? What type of device is used? (ii) Whether anticalming devices have been provided for each of the high Voltage and Extra High Voltage supports?	
92	(i) Has the owner of over-head lines adopted efficient means for diverting to earth any electrical surges due to lightning in every over-head line which is so exposed as to be liable to injury from lightning? What type of means are used? (ii) Has earthing lead from the lightning arrestors been connected to a separate earth electrode?	
93	Are unused over-head lines being maintained in a safe mechanical condition?

N. RAGHUNATHAN, *Under Secy.*

New Delhi, the 1st September, 1966

G.S.R. 1397.—In exercise of the powers conferred by sub-section (1) of Section 3 of the All India Services Act, 1951 (61 of 1951) the Central Government, after consultation with the Governments of the States concerned, hereby makes the following rules, namely:—

1. Short title and commencement:—(1) These rules may be called the Indian Forest Service (Cadre) Rules, 1966.

(2) They shall be deemed to have come into force with effect from the 1st July 1966.

2. Definitions:—In these rules, unless the context otherwise requires,—

(a) 'cadre officer' means a member of the Indian Forest Service;

(b) 'cadre post' means any of the posts specified as such in the regulations made under sub-rule (1) of rule 4;

(c) 'State' means a State specified in the First Schedule to the Constitution and includes a Union Territory;

(d) 'State Government concerned' in relation to a Joint Cadre means the Governments of all the States for which the Joint Cadre is constituted and includes the Government of a State nominated by all such State Governments to represent them in relation to a particular matter.

3. Constitution of Cadres:—(1) There shall be constituted for each State or group of States an Indian Forest Service Cadre.

(2) The cadre so constituted for a State or a group of States is hereinafter referred to as a 'State Cadre' or, as the case may be, a 'Joint Cadre'.

4. Strength of Cadres:—(1) The strength and composition of each of the cadres constituted under rule 3 shall be as determined by regulations made by the Central Government in consultation with the State Governments in this behalf.

(2) The Central Government shall, at the interval of every three years, re-examine the strength and composition of each such cadre in consultation with the State Government concerned and may make such alterations therein as it deems fit.

Provided that nothing in this sub-rule shall be deemed to effect the power of the Central Government to alter the strength and composition of any cadre at any other time.

Provided further that the State Government concerned may add for a period not exceeding one year, and with the approval of the Central Government for a further period not exceeding two years, to a State or Joint Cadre one or more posts carrying duties or responsibilities of a like nature to cadre posts.

5. Allocation of members to various cadres:—(1) The allocation of cadre officers to the various cadre shall be made by the Central Government in consultation with the State Government concerned.

(2) The Central Government may, with the concurrence of the State Government concerned, transfer a cadre officer from one cadre to another cadre.

6. Deputation of cadre officers:—(1) A cadre officer may, with the concurrence of the State Government concerned and the Central Government, be deputed for service under the Central Government or another State Government or under a company, association or body of individuals, whether incorporated or not, which is wholly or substantially owned or controlled by the Government.

(2) A cadre officer may also be deputed for service under :

(i) a Municipal Corporation or any other Local authority, by the State Government concerned or by the Central Government with the concurrence of the State Government concerned, as the case may be; or

(ii) an international organisation, a company, association or body of individuals not wholly or substantially owned or controlled by the Government, by the Central Government in consultation with the State Government concerned :

Provided that no cadre officer shall be deputed under clause (ii) of this sub-rule except with his consent.

7. Posting.—All appointments to cadre post shall be made :—

- (a) in the case of a State Cadre, by the State Government ; and
- (b) in the case of a Joint Cadre, by the State Government concerned.

8. Cadre post to be filled by cadre officers.—Save as otherwise provided in these rules, every cadre post shall be filled by a cadre officer.

9. Temporary appointment of non-cadre officers to cadre posts.—A cadre post in a State may be filled by a person who is not a cadre officer if the State Government is satisfied.

- (a) that the vacancy is not likely to last for more than three months; or
- (b) that there is no suitable cadre officer available for filling the vacancy.

(2) Where in any State a person other than a cadre officer is appointed to a cadre post for a period exceeding three months, the State Government shall forthwith report the fact to the Central Government together with the reasons for making the appointment.

(3) On receipt of a report under sub-rule (2) or otherwise, the Central Government may direct that the State Government shall terminate the appointment of such person and appoint thereto a cadre officer, and where any direction is so issued, the State Government shall accordingly give effect thereto.

(4) Where a cadre post is likely to be filled by a person who is not a cadre officer for a period exceeding six months, the Central Government shall report the full facts to the Union Public Service Commission with the reasons for holding that no suitable officer is available for filling the post and may in the light of the advice given by the Union Public Service Commission give suitable direction to the State Government concerned.

10. Report to the Central Government of vacant cadre posts.—Cadre posts shall not be kept vacant or held in abeyance for period exceeding six months without the approval of the Central Government. For this purpose, the State Government shall make a report to the Central Government in respect of the following matters, namely :—

- (a) the reasons for the proposal ;
- (b) the period for which the State Government proposes to keep the post vacant or hold it in abeyance ;
- (c) the provision, if any, made for the existing incumbent of the post ; and
- (d) whether it is proposed to make any arrangements for the performance of the duties of the post to be kept vacant or held in abeyance, and if so, the particulars of such arrangements.

11. Holding of more than one post by a cadre officer.—(1) The State Government concerned in respect of the posts borne on the State Cadre or the Joint Cadre as the case may be, may for the purpose of facilitating leave arrangements or for making temporary arrangements for a period not exceeding six months, direct that any two cadre posts or a cadre post and an equivalent post may be held simultaneously by one single cadre officer.

(2) Where the State Government concerned is of the opinion that it is necessary so to do, it may, with the prior approval of the Central Government, order that the posts directed by it to be held simultaneously by one single cadre officer under sub-rule (1), may continue to be so held for a period beyond six months but, in any case, not beyond twelve months from the date with effect from which the posts were first directed to be so held under sub-rule (1).

12. Interpretation.—If any question arises as to the interpretation of these rules, the same shall be decided by the Central Government.

G.S.R. 1398.—In exercise of the powers conferred by sub-section (1) of section 3 of the All-India Services Act, 1951 (61 of 1951), the Central Government, after consultation with the Governments of the States concerned, hereby makes the following rules, namely:—

1. Short title and commencement.—(1) These rules may be called the Indian Forest Service (Recruitment) Rules, 1966.

(2) They shall be deemed to have come into force with effect from 1st July, 1966.

2. Definitions.—In these rules, unless the context otherwise requires,—

- (a) “Commission” means the Union Public Service Commission;

(Department of Company Affairs)*New Delhi, the 12th September 1966***COST ACCOUNTING RECORDS (CEMENT) RULES, 1966**

G.S.R. 1402—In exercise of the powers conferred by sub-section (1) of section 642 read with clause (d) of sub-section (1) of section 209 of the Companies Act, 1956 (1 of 1956), the Central Government hereby makes the following rules, namely:—

1. **Short title and commencement**.—(1) These rules may be called the Cost Accounting Records (Cement) Rules, 1966.
 (2) They shall come into force on the 1st January, 1967.
2. **Application**.—They shall apply to every company engaged in the production, processing, or manufacturing of clinker or cement or both.
3. **Maintenance of Records**.—(1) Every company to which these rules apply shall keep at its registered office or at such other place in India as the Board of Directors of the company may decide in this behalf, proper books of account containing, *inter alia*, the particulars specified in Schedule I and Schedule II annexed to these rules, relating to utilisation of material, labour and other items of cost so far as they are applicable thereto.
 (2) Such books of account shall be kept so as to make possible the calculation of the cost of production of cement or clinker produced during the financial year of the company (hereinafter, in these rules, referred to as the relevant period).
4. **Penalty**.—If a company contravenes the provisions of rule 3, the company, and every officer of the company who is in default, other than the persons referred to in sub-section (6) of section 209, shall be punishable with fine which may extend to five hundred rupees and, where the contravention is a continuing one, with a further fine which may extend to fifty rupees for every day after the first during which such contravention continues.

SCHEDULE I

(See Rule 3)

I. RAW MATERIALS

Adequate records shall be maintained showing receipts, issues and balances both in quantities and values of each type of raw material required for manufacture of clinker/cement. The basis on which the quantities and value have been calculated shall be clearly indicated in the cost records maintained or in a separate manual of procedure, if any, maintained by the company or in foot notes or separate explanatory notes to the cost statements for the relevant period. Such basis shall be applied consistently through out the relevant period. The values shown shall include all charges upto the factory.

Where some of the raw materials are raised from mines owned or leased by the companies or are produced or manufactured by them, separate records showing the cost of raising, producing or manufacturing such raw materials shall be maintained in such detail as may enable the company to fill up the necessary particulars in proforma A in Schedule II or in a proforma as near thereto as possible.

Any wastage, whether in transit, storage or for other reasons, shall be indicated separately as and when such losses are ascertained. The method of dealing with such losses in the calculation of costs shall be also indicated in the cost records by way of foot-notes or explanatory notes or in other suitable manner.

II. POWER AND FUEL

Detailed records shall be maintained in order to ascertain the cost of power and fuel. These records shall also show separately wastage in storage, transit or for other reasons wherever occurring. The value of power and fuel consumed shall be calculated on some reasonable basis consistently applied during the relevant period.

Where power is purchased, the cost of power shall include the cost of units of power consumed and fixed charges and duties, if any, payable by the consumer. Where power is produced by the company itself, separate records shall be maintained to show in detail the different items making up the cost of power generated and distributed.

The record shall be so maintained as to enable the assessment of consumption of power by the different departments or manufacturing units.

III. STORES

Detailed and adequate records shall be maintained to show the receipts, issues and balances, both in quantities and values, of various items of stores required in the manufacture of cement such as grinding media, items of spare parts and small tools. The value shown shall include all charges upto works.

The value of stores consumed shall be charged to the relevant head of expenditure such as manufacture, repairs to plant and machinery, repairs to buildings, township, and maintenance of vehicles. The value of stores charged to manufacture shall further be allocated to the different departments or manufacturing units. Similarly, stores issued for capital works, such as additions to plant and machinery shall be separated and shown under relevant capital heads. Stores shall be valued on a reasonable basis, consistently applied during the relevant period. The records shall also indicate the method of valuation adopted.

Any wastage, whether in storage, transit, or for other reasons shall be shown separately. The method of dealing with such losses in costs shall also be indicated in the records.

IV. WAGES AND SALARIES

Proper and systematic records shall be maintained for the attendance of workers and other operating staff. Where payments to workers are made on piece rate basis the records kept thereof shall be so maintained as to enable assessment of wages payable to such workers. Proper records shall also be maintained in respect of all payments made for over-time work.

The records shall further show the cost of all wages and salaries relating to various manufacturing departments or units in the factory being the amounts payable and allocated to the different departments or units. Any idle time arising shall be recorded separately. The reasons for such idle time and the method of its treatment in calculating costs of products shall also be indicated in the records.

V. ROYALTY

Where the company itself produces any raw materials, the royalty payable shall be treated as part of the cost of the raw materials produced. In other cases if any royalty is payable, it may be treated as a part of the manufacturing overheads.

VI. DEPRECIATION

Proper and adequate records shall be maintained for assets in respect of which depreciation has to be provided for. These records shall inter-alia indicate the cost of each item of asset, the date of its acquisition, and the rate of depreciation. The cost of any special repairs or renovations, if added to the value of the asset concerned, shall be separately recorded indicating the basis on which such additions are made.

Depreciation chargeable to the different departments or units shall relate to the plant and machinery utilised in such departments or units and shall not be less than the amount of depreciation which may be worked out in accordance with the provisions of sub-section (2) of Section 206 of the Company's Act 1956. The rates adopted shall be consistently applied from year to year.

If the company so desires, instead of allocating and showing depreciation individually in the different cost statements for clinker, cement etc., the total amount of depreciation relating to all the departments or manufacturing units of the factory may be shown in one lump sum in the cost statement relating to the manufacture of cement. Depreciation relating to production or manufacture of lime stone and other raw materials, if any, shall however be shown in the respective cost statements.

VII. OVERHEADS

Proper records showing the details of allocation of overhead expenses to the various departments or units shall be maintained after collecting the details of all such expenses from the financial accounts. Overheads relating to manufacturing, administration, and selling and distribution activities shall be distinguished from each other. The method of allocating manufacturing and administrative overheads to the various departments or units shall be indicated in the records and shall be on a reasonable basis and consistently applied throughout the relevant period.

If so desired, instead of allocating and showing administrative overheads individually in the different cost statements for clinker, cement etc., the total amount of administrative overheads relating to all the departments or manufacturing units of the factory may be shown in one lump sum in the cost statement relating to the manufacture of cement.

VIII. CLINKER UTILISED FOR MANUFACTURE OF CEMENT

Detailed records shall be maintained to show the quantity and value of clinker produced and issued for the manufacture of cement. The clinker shall be valued on the basis of actual costs of production.

IX. PACKING

Records showing the cost of naked cement packed, cost of gunny bags (old or new), paper bags and other materials used as well as labour and other expenses incurred shall be separately maintained to enable the cost of packed cement to be ascertained.

X. PRODUCTION RECORDS

Detailed and adequate records shall be maintained to indicate the quantities and value of all receipts, issued and balances of different items of raw materials produced such as limestone, process materials such as clinker and finished products, namely, cement produced by the company. Where the materials are not physically weighed but quantities thereof are estimated, the basis of such assessment shall be clearly mentioned. The value of these materials shall be based on the actual cost of production of the items concerned.

XI. WORK-IN-PROGRESS

The quantities of work-in-progress, if any, such as slurry in stock, shall be assessed on some reasonable basis. The value thereof may be estimated to represent the cost incurred upto the relevant stage of manufacture and shall be shown in the relevant proforma in Schedule II.

XII. RECONCILIATION WITH FINANCIAL BOOKS

The cost records shall be periodically reconciled with the financial books of account so as to ensure accuracy. All variations shall be clearly indicated and explained.

The period for which such reconciliations are effected shall not exceed the period of the financial year of the Company.

XIII. STOCK VERIFICATION RECORDS

Records of stock verification shall be maintained in respect of all raw materials and stores, spare parts and other materials kept in stock. The method of dealing with discrepancies arising out of such verification shall also be indicated in the record.

XIV. STATISTICAL DATA

Adequate records containing information as to actual hours worked by each manufacturing unit or department such as the crusher, raw mill, kiln, cement mill shall be maintained to show the hours worked, stoppages, if any, and the reasons therefor.

Records shall also be maintained to show the production by each manufacturing unit or department producing raw materials, process materials, or finished products.

DALJIT SINGH, Under Secy.

(Department of Labour and Employment)

New Delhi, the 9th September, 1966

G.S.R. 1414.—The following draft rules further to amend the Industrial Employment (Standing Orders) Central Rules, 1946, which the Central Government proposes to make, in exercise of the powers conferred by section 15, read with clause (b) of section 2, of the Industrial Employment (Standing Orders) Act, 1946 (20 of 1946), is hereby published, as required by sub-sections (1) and (2) of the said section 15 for the information of persons likely to be affected thereby; and notice is hereby given that the said draft will be taken into consideration on or after the 15th October, 1966.

Any objections or suggestions which may be received from any person with respect to the said draft before the date so specified will be considered by the Central Government.

Draft Rules

1. These rules may be called the Industrial Employment (Standing Orders) Central (Amendment) Rules, 1966.

2. In the Schedule to the Industrial Employment (Standing Orders) Central Rules, 1946 (hereinafter referred to as the said rules), after rule 2, the following rule shall be inserted, namely:—

"2A. In the Schedule to the Act, after item 10, the following additional matters, which shall be applicable to industrial establishments in coal mines only, shall be inserted, namely:—

10A. Additional matters to be provided in Standing Orders relating to industrial establishments in coal mines:

- (1) Medical aid in case of accident.
- (2) Railway travel facilities.
- (3) Method of filling vacancies.

- (4) Transfers.
- (5) Liability of manager of the establishment or mine.
- (6) Service certificate.
- (7) Exhibition and supply of Standing Orders."

3. For rule 3 of the said Rules, the following rule shall be substituted, namely:—

"3 (1) Save as otherwise provided in sub-rule (2), the Model Standing Orders for the purposes of the Act shall be those set out in Schedule I appended to these rules.

(2) The Model Standing Orders for the purposes of the Act in respect of industrial establishments in coal mines shall be those set out in Schedule IA appended to these rules."

4. In sub-rule (1) of rule 7A of the said rules, the following sentence shall be added at the end, namely:—

"The memorandum of appeal shall be in Form IV set out in Schedule II to these rules."

5. In Schedule I appended to the said rules,—

(a) for the heading, "Model Standing Orders", the heading "Model Standing Orders in respect of Industrial Establishments not being Industrial Establishments in coal mines" shall be substituted;

(b) in sub-clause (1) of clause 9, for the words, figures and letter "Chapter IVA of the Factories Act, 1934", the words and figures "Chapter VIII of the Factories Act, 1948" shall be substituted.

6. After Schedule I appended to the said rules, the following Schedule shall be inserted, namely:—

“SCHEDULE IA

Model Standing Orders for Industrial Establishments in Coal Mines

1. These orders shall come into force on.....

2. **Definitions.**—In these orders, unless the context otherwise requires,—

(a) 'attendance' means presence of the workman concerned at the place or places where by the terms of his employment he is required to report for getting his attendance marked;

(b) The expression 'employer' and 'workman' shall have the meanings assigned to them in section 2(d) and (i) respectively of the Industrial Employment (Standing Orders) Act, 1946;

(c) 'Manager' means the manager of the mine and includes an acting manager for the time being appointed in accordance with the provisions of the Mines Act, 1952;

(d) words importing masculine gender shall be taken to include females;

(e) words in the singular shall include the plural and vice versa.

3. **Classification of workmen.**—(a) "Workmen" shall be classified as—

- (i) permanent;
- (ii) probationers;
- (iii) badlis or substitutes;
- (iv) temporary;
- (v) apprentices; and
- (vi) casual.

(b) A "permanent" workman is one who is appointed for an unlimited period or who has satisfactorily put in three months' continuous service in a permanent post as a probationer;

(c) A "probationer" is one who is provisionally employed to fill a vacancy in a permanent post and has not completed three months' service in that post. If a permanent workman is employed as a probationer in a new post, he may, at any time, during the probationary period not exceeding three months, be reverted to his old permanent post.

(d) A "badli" or substitute is one who is appointed in the post of a permanent workman or a probationer who is temporarily absent; but he would cease to be a "badli" on completion of a continuous period of service of one year (190 attendances in the case of below ground workmen and 240 attendances in the case of any other workman) in the same post or other post or posts in the same category or earlier if the post is vacated by the permanent workman or probationer. A 'badli' working in place of a probationer would be deemed to be permanent after completion of the probationary period.

(e) A 'temporary' workman is a workman who has been engaged for work which is of an essentially temporary nature likely to be finished within a limited period. The period within which it is likely to be finished should also be specified but it may be extended from time to time, if necessary.

(f) An "apprentice" is a learner who is either paid an allowance or not paid any allowance during the period of his training, which shall *inter alia* specify in his term of contract.

(g) A 'casual' workman is a workman who has been engaged for work which is of an essentially casual nature.

4. Every workman shall be given a ticket appropriate to his classification at the time of his appointment and shall, on being required to do so, show it to the person authorised by the employer in that behalf. The said ticket shall carry the signature or thumb impression of the workman concerned.

5. **Display of notices.**—(a) The period and hours of work for all classes of workmen in each shift shall be exhibited in English and in the language understood by the majority of workmen employed in the establishment on notice boards maintained at or near the main entrance of the establishment and at the time-keeper's office, if any.

(b) Notices specifying (a) the days observed by the establishment as holidays and (b) pay days shall be posted on the said notice boards, (c) Notices specifying the rates of wages and scales of allowances payable to all classes of workmen and for all classes of work shall be displayed on the said Notice Boards.

6. **Payment of wages.**—(a) Wages shall be paid direct to the individual workmen on any working day between the hours 6.00 A.M. and 6.00 P.M. at the office of the mine. The manager or any other responsible person authorised by him shall witness and attest the payments and note the date of payment in the wage register. Payment of wages to a contractor's workman shall be made at a place to be specified by the manager and it shall be witnessed by a nominee of the employer deputed for this purpose in writing.

(b) Any wages due to a workman but not paid on the usual pay day on account of their being unclaimed shall be paid by the employer on such unclaimed wage pay day in each week as may be notified to the workmen. If the workman so desires, the unpaid wages and other dues payable to him shall be remitted to his address by money order after deducting therefrom the money order commission charges. All claims for the unpaid wages shall be presented to the employer within a period of twelve months from the date on which the wages became due.

(c) Overtime shall be worked and wages thereof paid in accordance with the provisions of the Mines Act, 1952 as amended by the Mines (Amendment) Act, 1959 and as may be prescribed from time to time. For work on weekly rest day, the workman shall be paid as laid down in any agreement or award or, as the case may be, as per usage or custom.

7. **Shift working.**—More than one shift may be worked in a department or departments or any section of a department of the establishment at the discretion of the employer. If more than one shift is worked, a workman shall be liable to be transferred from one shift to another. No shift working shall be discontinued without two months notice being given in writing to the workmen prior to such discontinuance, provided that no such notice shall be necessary if the closing of the shift is under an agreement with the workman affected. If

as a result of the discontinuance of the shift working, any workmen are to be retrenched, such retrenchment shall be effected in accordance with the provisions of the Industrial Disputes Act, 1947 (14 of 1947), and the rules made thereunder. If shift working is restarted, the workmen shall be given notice and re-employed in accordance with the provisions of the said Act and the said rules.

8. Attendance.—All workmen shall be at work at the mine at the time fixed and notified to them.

9. Absence from place of work.—Any workman, who after going underground or after coming to his work in the department in which he is employed, is found absent from his proper place of work during working hours without permission from the appropriate authority or without any sufficient reason shall be liable to be treated as absent for the period of his absence.

10. Festival holidays and leave.—(a) There shall be seven paid festival holidays or as laid down in an agreement or an award in force. Out of these seven days, the Republic Day, Independence Day and Mahatma Gandhi's birthday shall be allowed without option and the rest of the days shall be fixed by agreement or local custom. Whenever a workman has to work on any of these holidays, he shall, at his option be entitled to either thrice the wages for the day or twice the wages for the day on which he works and in addition to avail himself of a substituted holiday with wages on any other day or as laid down in an agreement or an award in force.

(b) (i) The workmen shall be entitled to leave with wages in accordance with the provisions contained in Chapter VII of the Mines Act, 1952.

(ii) Normally a workman will not be refused the leave applied for by him. But the employer may refuse, revoke or curtail the leave applied for by workman, if the exigencies of work so demand. Wages in lieu of leave shall be paid to a workman, where he has been refused the leave asked for and in cases where he cannot accumulate the leave any further. If a workman is refused leave in a particular year in the interest of work, it would be open to him next year either to avail of leave on two occasions with the usual railway concessions or in case he avails of leave on only one occasion, the railway fare for the unavailed trip would be paid to him in the shape of National Savings/National Defence/Certificates.

(c) Quarantine leave shall be granted to a workman, who is prevented from attending to his duty because of his coming into contact, through no fault of his own, with a person suffering from a contagious disease. The leave shall be granted for such period as is covered by a certificate from the medical officer of the mine. Payment for the period of quarantine leave shall be at the rate of 50 per cent of the wages (basic plus dearness allowance) payable to a workman. Quarantine leave cannot be claimed, if a workman has refused to accept during the previous three months, prophylactic treatment for the disease in question.

(d) A workman who desires to obtain leave of absence shall apply to the manager not less than seven days before the commencement of the leave, except where leave is required in unforeseen circumstances, and the manager shall issue orders on the application within a week of its submission or two days prior to the commencement of the leave applied for, whichever is earlier, provided that if the leave applied for is to commence on the date of the application or within three days thereof, orders shall be given on the same day. If the leave asked for is granted, a leave-pass shall be given to the workman. If the leave is refused or postponed, the fact of such refusal or postponement and the reasons therefor shall be recorded in writing in a register to be maintained for the purpose, and if the worker so desires, a copy of the entry in the register shall be supplied to him. If the workman after proceeding on leave desires an extension thereof, he shall apply to the manager, who shall send a written reply either granting or refusing extension of leave to the workmen. Sanction/refusal of leave should be communicated to the workman in writing invariably.

(e) If a workman remains absent beyond the period of leave originally granted or subsequently extended, he shall lose lien on his appointment unless he—

(a) returns within ten days of expiry of his leave, and

(b) explains to the satisfaction of the manager his inability to return on the expiry of his leave.

In case, the workman loses as aforesaid, his lien on the appointment, he shall be entitled to be kept on the "badli list".

(f) A workman may be granted casual leave of absence with or without pay not exceeding ten days in the aggregate in a calendar year. Such leave shall not be for more than three days at a time except in case of sickness. Such leave is intended to meet special circumstances which cannot be foreseen. Ordinarily, the previous permission of the head of the department in the establishment shall be obtained before such leave is taken, but where this is not possible, the head of the department shall, as soon as may be practicable, be informed in writing of such absence and of the probable duration thereof.

(g) Notwithstanding anything mentioned above, any workman who overstays his sanctioned leave or remains absent without reasonable cause will render himself liable for disciplinary action.

11. Medical aid in case of accidents.—Where a workman meets with an accident in the course of and arising out of his employment, the employer shall make satisfactory arrangements for immediate and necessary medical aid to the injured workman free of cost and shall arrange for prompt payment of compensation admissible under the Workman's Compensation Act, covering also the first three days of absence on account of injury.

12. Railway travel facilities.—(a) When a workman proceeds on leave and is qualified for free railway fare, the employer shall give him the cost equivalent of his ticket (including bus fare)/and for boat to his home.

(b) Every workman who has completed a period of twelve months' continuous service would qualify for railway fare or bus-fare or both for going home on leave and returning to the mine on the expiry of the leave. The twelve months' service shall be deemed to have been completed if, during the twelve months preceding the date on which he applies for leave, he has worked for not less than two hundred and forty days.

(c) If on the expiry of the leave, a workman returns, and continues to work uninterruptedly for a period of three months under the same management he shall then receive a cash payment equivalent to the return fare. If on his return the mine is unable to have him back, he shall be paid return fare at once.

Explanation.—Any interruption merely on account of sickness or accident certified by the employer's doctor or a strike which is not illegal, or a lock-out or cessation of work which is not due to any fault on the part of the workman or any absence on un-avoidable and good and reasonable grounds not exceeding seven days in the entire period of three months exclusive of weekly rest days and paid or unpaid holidays, shall not be considered as interruption.

(d) If the journey home is by bus or partly by bus and partly by train, the cost of the journey shall be adjusted accordingly.

(e) The workman shall be entitled to railway fare by mail or express train, wherever under the Railway Rules tickets are available for such travel.

(f) The class by which a workman is entitled to travel shall be:—

(i) if his basic wage is Rs. 70/- or less per month—III Class

(ii) if his basic wage is more than Rs. 70/- p.m.—II Class
but less than Rs. 150/- p.m.—

(iii) if his basic wage is Rs. 150/- p.m. or more—I Class

13. Termination of services.—(a) For terminating the services of a permanent workman having less than one year of continuous service, a notice in writing with reasons or wages in lieu thereof at the scale indicated below shall be given by the employer:—

(i) For monthly paid workmen—

one month

(ii) For weekly paid workmen—

Two weeks

Provided that no such notice shall be required to be given when the services of the workman are terminated on account of misconduct.

(b) Subject to the provisions of the Industrial Disputes Act, 1947 and the provisos listed below no notice of termination of employment shall be necessary in the case of temporary and badli workmen:

Provided that a temporary workman, who has completed three months continuous service, shall be given two weeks notice of the intention to terminate his employment if such termination is not in accordance with the terms of the contract of his employment.

Provided further that when the services of a temporary workman, who has not completed three months continuous service, are terminated before the completion of the term of employment given to him, he shall be informed of the reasons in writing. When the services of a badli workman are terminated before the return to work of the permanent incumbent or the expiry of his (badli's) term of employment, he shall be informed of the reasons for such termination in writing.

Explanation.—For the purpose of this Standing Order Service means as provided in Section 25(B)(i) of the Industrial Disputes Act, 1947.

(c) No workman shall leave the service of an employer unless notice in writing is given at the scale indicated below:—

- (i) For monthly paid workmen—One month
- (ii) For weekly paid workmen—Two weeks

Provided that it will be for the employer to relax this condition and the workman may pay cash in lieu of such notice.

(d) For computation of wages in lieu of such notice, under Standing Orders 13(a) and 13(c), the provisions of section 2(rr) of the Industrial Disputes Act, 1947 shall apply.

14. Stoppage of work and re-opening.—(a) Subject to the provisions of Chapter VA of the Industrial Disputes Act, 1947, the employer may, at any time, in the event of underground trouble, fire, catastrophe, break-down of machinery stoppage of power-supply, epidemic, civil commotion or any other cause beyond the control of the employer, stop any section or sections of the mine wholly or partly for any period or periods.

(b) In the event of such stoppage during working hours, the workmen affected shall be notified by notice put up on the notice board in the departments concerned and at the office as soon as practicable as to when work will be resumed and whether they are to remain or leave their place of work. The workmen will not ordinarily be required to remain for more than two hours after the commencement of the stoppage. Whenever workmen are laid off on account of failure of plant or a temporary curtailment or production or other causes they shall be paid compensation in accordance with the provisions of the Industrial Disputes Act, 1947. Where no such compensation is admissible, they shall be granted leave with or without wages as the case may be, at the option of the workman concerned, leave with wages being granted to the extent of any leave due to them. When workmen are to be laid off for an indefinitely long period, their services may be terminated subject to the provisions of the Industrial Disputes Act, 1947. If normal work is resumed two weeks' notice thereof shall be given by the pasting of notices at or near the mine office and the workmen discharged earlier by the employer shall, if they present themselves for work, have preference for re-employment.

(c) The employer may in the event of a strike affecting either wholly or partially any section of the mine close down either wholly or partially such section of the mine and any other section affected by such closure. The fact of such closure shall be notified by notices put up on notice board in the manager's office. Prior to resumption of work, the workmen concerned will be notified by a general notice indicating as to when work will be resumed. A copy of such notice shall be sent to the registered trade union or unions functioning in the establishment.

15. Method of filling vacancies.—In the matter of filling up of permanent vacancies badli and temporary workmen and probationers would be given preference in the order of their seniority.

16. Transfers.—Workmen may be transferred due to exigencies of work from one Department to another or from one station to another or from one coal mine to another under the same ownership provided that the pay, grade, continuity and other conditions of service of the workman are not adversely affected by such transfer and provided also that if a workman, is transferred from one job to another, that job should be of similar nature and such as he is capable of doing and provided further that (i) reasonable notice is given of such transfers and (ii) reasonable joining time is allowed in case of transfers from one station to another. The workman concerned shall be paid the actual transport charges plus 50% thereof to meet incidental charges.

17. Disciplinary action for misconduct.—(i) A workman may be suspended or fined or his increment may be stopped or he may be demoted or dismissed without notice if he is found to be guilty of misconduct provided that suspension without pay as a punishment shall not exceed ten days. The workman may be suspended pending departmental enquiry and in such cases he shall be paid a subsistence allowance equal to half of his wages as defined in the Payment of Wages Act, 1936, for the period of suspension up to 30 days. If, however, he is kept suspended by the management beyond 30 days this subsistence allowance will be at the rate of 3/4 of his wages as aforesaid but if the enquiry is delayed beyond 30 days because of the workman, the subsistence allowance shall be reduced to 1/4 of his wages. The employer shall normally complete the enquiry within ten days. The payment of subsistence allowance will be subject to his not taking any employment elsewhere during the suspension period.

The following shall denote misconduct:—

- (a) Theft, fraud, or dishonesty in connection with the employer's business or property;
- (b) Taking or giving of bribes or an illegal gratification, whatsoever in connection with the employer's business or in his own interests.
- (c) Wilful insubordination or disobedience, whether along or in conjunction with another or others, or of any lawful or reasonable order of a superior. The order of the superior should normally be in writing.
- (d) Habitual late attendance and habitual absence without leave or without sufficient cause.
- (e) Drunkenness, fighting or riotous, disorderly or indecent behaviour while on duty at the place of work.
- (f) Habitual neglect of work.
- (g) Habitual indiscipline.
- (h) Smoking underground or within the mine areas in places, where it is prohibited.
- (i) Causing wilful damage to work in progress or to property of the employer.
- (j) Sleeping on duty.
- (k) Malingering or slowing down work.
- (l) Acceptance of gifts from subordinate employees.
- (m) Conviction in any Court of Law for any criminal offence involving moral turpitude.
- (n) Continuous absence without permission and without satisfactory cause for more than ten days.
- (o) Giving, false information regarding one's name, age, father's name, qualification or previous service at the time of the employment.
- (p) Leaving work without permission or sufficient reason.
- (q) Any breach of the Mines Act, 1952, or any other Act or any rules, regulations or bye-laws thereunder, or of any Standing Orders.
- (r) Threatening, abusing or assaulting any superior or co-worker.
- (s) Habitual money-lending.
- (t) Preaching of or inciting to violence.
- (u) Abetment of or attempt at abatement of any of the above acts of misconduct.

(ii) No order of punishment under Standing Order No. 17(i) shall be made unless the workman concerned is informed in writing of the alleged misconduct and is given an opportunity to explain the allegations made against him. A departmental enquiry shall be instituted before dealing with the charges. During the period of enquiry, the workman concerned may be suspended. The workman may take the assistance of a co-worker to help him in the enquiry, if he so desires. The records of the departmental enquiry shall be kept in writing. The approval of the owner, agent or the chief mining engineer of the employer or a person holding similar position shall be obtained before imposing the punishment of dismissal. A copy of the enquiry proceedings shall be given to the workman concerned on the conclusion of the enquiry, on request by the workman.

(iii) If a workman is not found guilty of the charges framed against him, he shall be deemed to be on duty during the full period of his suspension and he shall be entitled to receive the same wages as he would have received if he had not been suspended.

(iv) In awarding punishment under this Standing Order, the authority awarding punishment shall take into account the gravity of the misconduct, the previous record, if any, of the workman and any other extenuating or aggravating circumstances that may exist. A copy of the order passed by the authority awarding punishment shall be supplied to the workman concerned.

18. Time limit for making complaints, appeals etc.—All complaints arising out of employment including those relating to unfair treatment or wrongful extraction on the part of the employer or his servant shall be submitted within 7 days of such cause of complaint to the Manager of the Mine, with the right of appeal to the employer. Any appeal to the employer shall be made within 3 days of the decision of the Manager. The employer shall normally give his decision within 3 days of the receipt of the appeal.

19. Liability of manager of the mine.—The manager of the mine shall personally be held responsible for the proper enforcement of these Standing Orders provided that where a manager is over-ruled by his superior, the latter shall be held responsible for the decision taken.

20. Service certificate.—Every workman who was employed continuously for a period of more than three months shall be entitled to a service certificate at the time of his leaving the service of employer.

21. Entry and exit.—All workmen shall enter and leave the premises of the establishment through authorised gates and shall be liable for search while going in or coming out of the premises. In case of women workmen search will only be made by women.

22. Exhibition and supply of Standing Orders.—A copy of these Orders in English and in the regional languages of the local area in which the mine is situated, shall be posted at the manager's office and in such other places of the mine as the employer may decide and it shall be kept in a legible condition. A copy of the Standing Orders shall be supplied to a workman on application, on payment of a reasonable price. A trade union in the establishment will, however, be entitled to the free supply of a copy of the Standing Orders, provided the union is one which is recognised by the employer."

7. In Schedule II appended to the said rules, after Form III the following form shall be inserted, namely:—

"FORM IV

[See Rule 7A(1)]

"To be furnished in respect of each clause appealed against, separately)

- (1) Draft of the Standing Order under appeal as submitted by the employers.
- (2) Objection made/modification suggested, if any, to the Draft Standing Order under appeal, by the Trade Union/Representatives of workmen.
- (3) Standing Order under appeal, as certified by the Certifying Officer.
- (4) Grounds of appeal by the employers/trade union/workman's representatives.
